Members and Friends of West End Baptist Church,

We are living in unprecedented times. With the uncertainty surrounding the novel Corona Virus, our church, like many churches and other public gathering places, has adopted a temporary policy regarding our church worship and ministry events.

Beginning immediately, we will implement the following steps intended to protect and provide for the good health and safety of both our church members and our community:

- 1) All On-Campus activities and events are cancelled until at least March 31st. Further details will be released after an assessment by church leadership at that time.
Sunday morning worship is available at 10:30am each Sunday. Join us online for our service at www.gaffneywebchurch.org.
- 2) Thank you to those who have inquired about how to continue financial contributions to our church during this time. As always, gifts may be submitted securely on our church website, www.gaffneywebchurch.org, or by mail to:
400 Overbrook Dr. Gaffney, SC 29341

In addition, any church member in need of assistance with necessities or medications may contact the church office at (864)489-3123. We have a team of volunteers ready to make deliveries directly to your home should the need arise. We are a church family that cares for and takes care of one another. We will survive this ordeal together.

I understand how very surreal these measures seem to us. But I remind you this is only temporary. At the end of March, we will reassess where we are in the community and our country concerning the mitigation of the Corona Virus. Until then, for the well-being of our precious members please heed the advice of our healthcare professionals.

And remember, our God is still on His throne! 2 Timothy 1:7 (CSB) reminds us that *“God has not given us a spirit of fear, but one of power, love, and sound judgment.”* Our faith in God’s control removes unnecessary fear, our love for our fellowman calls us to responsible action, and our sound judgment leads us to take these practical steps at this time.

Please pray for one another, care for one another, and stay informed through our Church Facebook Page, Church Prayer Line, or, call should you have questions or concerns: (864)489-3123.

In Christ,
Michael
